ISLINGTON SOUTH AND FINSBURY

June 2025 report

## Islington's Post Offices

The Post Office has recently announced that it is moving to a fully franchised network by Autumn 2025. Currently most Post Office's are already part of this "franchise network"

This means that the 160-161 Upper Street and the Mount Pleasant Branch in Islington will be franchised. This is expected to take place in September 2025.

While the Post Office has assured me that services, serving stations, access and current stationary services at both branches will remain the same, I still have concerns about potential changes down the line. I have arranged to meet with senior Post Office officials to flesh out these concerns.

I have also arranged to meet with the local Communication Workers Union Branch to hear any concerns that their members have about the changes to ensure that their voices are heard as part of this process. Protecting jobs and working conditions for staff must remain a priority as well as providing a service for residents.
